

STOP THE NEW LANDFILL EXPANSION!

Arbor Hills wants to put a NEW 240-acre landfill on the north side of 6 Mile Road, across from their current site.

- A Washtenaw County Solid Waste Planning Committee (SWPC) has been formed to determine the need for a landfill expansion. The expansion would be on the north side of 6 Mile between Napier Rd and Chubb Rd., immediately west of the Thayer Nature Center, Steeplechase subdivision and Stonewater subdivision.
- The SWPC committee meets every month to discuss the proposal, the need for the expansion and the impact on the community.
- We have also formed our own committee in an effort to stop the approval of the expansion by helping to educate the committee on the impact that another landfill will have on our community, our quality of life, our home values and future generations that live in the surrounding townships.
- The smell is horrendous, sickening and unhealthy. The truck traffic is noisy and unsafe and the mismanagement of the landfill is polluting our air and water. We are trying to ensure this doesn't continue with the addition of a second landfill.
- We are asking for your support at the monthly SWPC meetings to be present and show the committee that we don't want, or need, the landfill expansion. A new landfill needs to be located elsewhere or needs to be redistributed to other landfills in more rural or industrial areas. We have been providing factual evidence to support this reasoning and need your support to affirm that position.
- More information can be found at : www.StopArborHills.com or at Stop Arbor Hills on www.facebook.com/stoparborhills
- Future SWPC Meetings:
 - Wed, 8/10/16 5:30pm – 8pm, 7200 S. Huron River Dr, Ypsilanti, MI 48197
 - Wed, 9/14/16 5:30pm – 8pm, 221 S. Main St, Chelsea, MI 48118
 - Wed, 10/12/16, 5:30pm–8pm, 705 N. Zeeb Road, Ann Arbor, MI 48103
